“ I grew up in rural Minden and graduated from Minden High in 1961 with Randy. He was always at the grocery store with a smile on his face when my family would shop there. After my dad died, my mother lived alone in Minden and Randy (an employee of the City of Minden) went above and beyond to help her get her garbage out for pick-up. I had seen him at Bethany Home in recent years and he still had that smile on his face.

Rest in peace, Randy. You'll not be forgotten.

“ RIP Randy. I grew up in Minden, NE and always saw you around town but really didn't get a chance to get to know you which I regret to this day. You were a great man Randy and I especially appreciate everything you did for my mom - Sheryl Parish. I always admired how hard you worked mowing all those lawns and helping everyone around town.

We need more people like you in this life Randy because you were always one to appreciate a simple thank you!

RIP Randy.....

“ My sincere sympathy to Randy's family and all the friends who will be celebrating his life! Randy was a special guy--with a big heart! He was sooooo much help to me when I was on my own--always willing to come and help me out with whatever I needed. He was always interested in my kids--asking what they were doing and about their life. Since moving to Omaha, we would correspond with letters and cards and I would try and send him pictures once in awhile to bring him up to date. I will

miss him--& our correspondence and I thank Carol for her kindness in keeping that going. I am in Arizona for the month of February so will not be able to attend his service--which makes me sad! I respected Randy and admired his ability to 'keep going.' I loved hearing his stories about the grocery store with his mom and dad...and he always would ask me about the big grocery stores in Omaha. He was definitely a hard worker!!...and I appreciated being called his 'friend.' Rest in peace now, Randy...I will miss you!
